[V1]

The safety of Your presence here and now  
Your arms of love protect me all around  
I open up my heart

[C]

You are my God  
You are my everything  
You are my love  
Beyond my wildest dreams  
You are my hope  
When life's too much for me  
I put You first  
You are my God

[V2]

Your mercy and Your grace they cover me  
Your arms they hold the answer, hold the key  
I offer up my heart

[B]

I will seek you first  
Above all else  
Because You first loved me
