# "When The 2 Is On The Mic"

Visit "[When The 2 Is On The Mic](#)" on MotoLyrics.com

"To the beat y'all.." (\*repeat through song\*)

[Milk]

When - Milk is on the mic you can say I'm milkin  
All the rhymes I write are made of silk and steel  
Yes y'all, I know the deal  
Right about now I'll tell you how I feel  
When Milk is on the tables yes y'all I said it  
I scratch like THIS! {\*scratching\*}  
.. don't forget  
When I'm in a room it's science I'm droppin  
Supportin K-Rock as he goes hoe hoppin  
Effect on the voice make the voice sound milky  
.. the smooth rhymes made silky  
I can rock a rhyme in two minutes or less  
That's on a bad day, at my best  
At any time I can change my style  
That is because I'm versatile  
Like Nike's on my feet, and..  
Bobby's on the beat, yo..  
Giz is at the board, hey..  
Gary press record!..  
My colors red and white..  
I rock it day or night, y'know..  
My dad's got my back..  
Yo Giz this style is wack, so bust it

"To the beat y'all.." (\*repeats as Giz scratches\*)

[Giz]

When Giz has got the mic you can say I'm juicin  
other MC's as I start to get loose and rhyme

One time at the drop of a dime  
Now I'ma clock the mic, now I'ma shock the mic  
Now I'ma rock the mic while I go for mine  
One day while I was walkin, girlies out stalkin  
Brothers on the corner, sorta like hawkin  
my style for a while cause I'm very versatile  
I can grab the mic and rock a four minute mile  
Now as I kept steppin, brothers kept sleppin  
or should I say sleepin, while I was just keepin

the beat in my stride you know like a dance  
Death defyin rope, just to enhance my look  
Like a book or a well written rap ("To the beat y'all")  
If I was (?) I'd be from the tap  
Okay y'all, I'm almost there  
Rockin down the street with all the fresh gear  
Yo Milk, grab this mic, cause I'm outta here

[Milk]

Yo Giz, where's your girl? Go get her  
Yo pull out the keys to your Jetta!  
I'm MC Milk D, that's DJ Gizmo  
We're the Audio Two  
And we're in full-I-I-I-I-I-I efffect, boyyyyyyys!

"To the beat y'all.." (\*repeat to end\*)
