### "Lay Your Burden Down"

Once upon a time  
I was on a mind to lay your burden down  
And leave you where you stood  
You believed i could  
You'd seen it done before  
I could read your thoughts  
And tell you what you saw  
And never say a word  
But now that is gone  
All worth and done  
And never to return

I can tell you why  
People die alone  
I can tell you why  
The shadow on the sun

Staring at the loss  
Looking for the cause  
And never really sure  
Nothing but a hole  
To live without a soul  
And nothing to be learned

I can tell you why  
People go insane  
I can show you how  
You could do the same  
I can tell you why  
The end will never come  
I can tell you why  
The shadow on the sun

Shapes of every size  
Move behind my eyes  
Doors inside my head  
Bolted from within  
Every drop of flame  
Lights a candle in  
Memory of the one  
Who lived inside my skin

I can tell you why  
People go insane  
I can show you how  
You could do the same  
I can tell you why  
The end will never come  
I can tell you why  
The shadow of the sun

Shadow of the sun  
Shadow of the sun  
Shadow of the sun  
Shadow of the sun  
Shadow of the sun  
Shadow of the sun  
Shadow of the sun  
Sun  
Sun
