For so long  
I have been attacked by your words  
And never holding back  
Now you're scared  
Of where I have been  
I was never alone

I won't ever let this go  
This is the path, the life I chose  
My livelihood resides on my back  
So I'll keep my legs as strong as I can

I've been misguided by you  
I've been mistreated, too  
If you think I'm gonna take it, no [x2]

Thought you had me  
Tied up by a string  
But on the side  
Something I've been wanting  
Said you're leaving  
But to my defense  
I was never alone

I won't ever let this go  
This is the path, the life I chose  
My livelihood resides on my back  
So I'll keep my legs as strong as I can

I've been misguided by you  
I've been mistreated, too  
If you think I'm gonna take it, no [x2]

Say you want more  
But it's all I got  
I wanna make sure  
That you know I won't stop  
You thought you had me, baby  
You thought you had me, baby

Say you want more  
But it's all I got

I wanna make sure  
That you know I won't stop  
You thought you had me, baby  
You never had me, baby

I've been misguided by you  
I've been mistreated, too  
If you think I'm gonna take it, no [x2]
