Kono yo de ichiban kokochiyoi basho sore wa anata no  
mune no naka  
Mune ni mimi ate kodou kanjiru no

What I need now is you  
Anata no rizumu de nemuri sou ni naru  
You made me what I am  
Kono sasayakana shiawase ga tsuzuku you ni...

Anata no ai wo kono mi ni kanji antashi mo tsutaeru no  
Anata no mune ni dakare anata no nioi ni tsutsumarete

What I need now is you  
Kore ijou no shiawase nado nai no  
You made me what I am  
Anata ni fuan nado nai no anata ga soba ni iru kara...

Gonen tatta ima demo yurayura to kagerou no you ni  
Hoshi ni natta kimi ni fureru koto wa dekinai keredo  
Konya mo yume wo miyou...

What I need now is you  
Everyday, everynight I miss you  
You made me what I am  
Everyday, everynight, everything is you

Soba ni iru kara
