Keep on dreaming yume no kakeru tachi  
Hiroi atsume aruita yoru  
"Jaa ne" to omoide dake nokoshi

Promise you tachi hadakaru kabe  
Doushiyou mo naku furimuku to  
Sotto yasashiku utau kara...

Eternally zutto soba ni ita no ni  
Mie nakatta kimi no kizu wo  
Hibike sora he  
Mai chiru hana to kaze ni nosete tsutsumu yo

Dear my friend  
Nasake nai hodo ni sasaerarete ita jibun  
"Arigatou" ii kire nai kotoba

Eternally kiduita kanaeru tame ni  
Tsukare hateru made naita  
Ano hi no namida  
Hikari dasu no wa ookiku te wo furu toki

Negai goto wo kaita  
Aoi fuusen wa doko he itta no?  
Tonde atatakai basho he muke

Eternally kokoro ni todokeru uta  
Aitai toki sotto...

Eternally itsumo tsuyogatte ita  
Mie nai kizu wo kakushi nagara  
Ano hi no namida hikari dasu ima  
Kaze ni nosete kaze ni nosete

Todoke kimi he to hitotsu no kotoba sora he
