I wanna give you my love, seduces me like no one
Has ever been able to, oh baby
With every moment I feel, a passion rise from within
I feel I need to give in to you

Oh, it was love at first sight, from the moment we met
Now I feel the chains surround me
And I'd be the last to believe that I could ever find
Someone who makes me feel this way

You make me shake and you make me quiver
With just the touch of your hand, oh
My body gets hot and my head gets dizzy
Boy what can I do ? I want to give in to you

I wanna give you my love, seduces me like no one
Has ever been able to, oh baby
With every moment I feel, a passion rise from within
I feel I need to give in to you

I feel the love in your arms and my soul on fire
My body burns inside for you
My heart grows wings like an angel who's just starting
to fly
I'd go all around the world for you

You make me shake and you make me quiver
With just the touch of your hand, oh
My body gets hot and my head gets dizzy
Boy what can I do ? I want to give in to you

I wanna give you my love, seduces me like no one
Has ever been able to, oh baby
With every moment I feel, a passion rise from within
I feel I need to give in to you

Wanna give you my love
Ready to embrace your soul, I can't wait to be with you

Wanna give you all, all my love

I wanna give you my love, seduces me like no one
Has ever been able to, oh baby
With every moment I feel, a passion rise from within
I feel I need to give in to you

I wanna give you my love, seduces me like no one
Has ever been able to, oh baby
With every moment I feel, a passion rise from within
I feel I need to give in to you.
