Maybe I'm a fool but I still believe
That for me and you, this love is real
But something in your eyes doesn't shine like before
I can't believe that you don't want me anymore

Inside is where I'm hiding all the pain, inside I wish I
could be with you again
I know it's gonna take me some time, until I'm over you
inside

Voices in my head tell me "forget him"
But I'm not that strong and I can't pretend
That I'm doing fine when it's tearin' me apart
How will I ever unbreak this heart ?

Inside is where I'm hiding all the pain, inside I wish I
could be with you again
I know it's gonna take me some time, until I'm over you
inside

When there's a will, there's a way, that's what everyone
says
But how will I ever fill this emptiness ?
All I can do is hope and pray for a miracle someday,
somehow
But for now

Inside is where I'm hiding all the pain, inside I wish I
could be with you again
I know it's gonna take me some time, until I'm over you
Inside is where I'm hiding all the pain
Inside I wish I could see you once again
I know it's gonna take me some time, until I'm over you
inside
Until I'm back to myself inside.
