(France Robert/Gerry Stober)

Here I am, as I am, take a look and you'll see
I'm sometimes good and I'm sometimes bad,
sometimes right in between
But I'm true to myself and nobody else
Can take that away from me, and I won't change for
anybody cause

What you see is what you get, nothing more and
nothing less
Take me, take me as I am
Heart and soul, I'm for real, not for show
Take me, take me as I am

I may not dance the way you dance, I just do what I do
My own way, my own style with my own set of rules
I've got all that I need to make me happy
So don't try to turn me round into what I'm not cause I
won't go for that

What you see is what you get, nothing more and
nothing less
Take me, take me as I am
Heart and soul, I'm for real, not for show
Take me, take me as I am

I may not be perfection to you but I'm good enough for
me and I
I live my life the way I choose, do you know what I mean
?

What you see is what you get, nothing more and
nothing less
Take me, take me as I am
Heart and soul, I'm for real, not for show
Take me, take me as I am

Don't try to change me now or re-arrange me now
Take me as I am
With everything I've got and everything I'm not

Take me as I am.
