Chorus

I am a don; yes I am a radical one  
Wake up in the morning with just my bible in na my  
hand  
I am a don; yes I am a serious one  
Jesus saved me and then he took me by the hand  
I am a don; yes I am a radical one  
Walking by faith with as much love as I can  
I am a don yes I am serious one  
Jesus took my sins and now I  
I'm living by his plan

1.

Before I met the Lord  
I thought I was somebody  
Never knew that long time I was dead and bury,  
But since he saved me I am rock steady  
You won't find me in no corner with John and  
Freddy  
Dem de days done since Jesus saved me  
For the New Jerusalem I'm prepared and ready

Chorus

I am a don; yes I am a radical one  
Wake up in the morning with just my bible in na my  
hand  
I am a don; yes I am a serious one  
Jesus saved me and then he took me by the hand  
I am a don; yes I am a radical one  
Walking by faith with as much love as I can  
I am a don yes I am serious one  
Jesus took my sins and now I  
I'm living by his plan

2.

Nothing in this world is sweeter than his love  
The pure agape love which is sent from above  
Descending on me like a white gentle dove

Nothing in this world can separate me from his  
love(rept Cho)

Bridge:

Now my old life, yes it is over  
Living for Christ now and for ever

Chorus

I am a don; yes I am a radical one  
Wake up in the morning with just my bible in na my  
hand  
I am a don; yes I am a serious one  
Jesus saved me and then he took me by the hand  
I am a don; yes I am a radical one  
Walking by faith with as much love as I can  
I am a don yes I am serious one  
Jesus took my sins and now I  
IÃ¢â€m living by his plan

3.

The enemies flex dem muscles and dem want to come  
test

But dem always just forget that I am covered and  
blessed

If dem ever try touch me dem get Jesus really vex  
Cause IÃ¢â€m the apple of his eyes since he gave  
me heavenly rest

Chorus

I am a don; yes I am a radical one  
Wake up in the morning with just my bible in na my  
hand  
I am a don; yes I am a serious one  
Jesus saved me and then he took me by the hand  
I am a don; yes I am a radical one  
Walking by faith with as much love as I can  
I am a don yes I am serious one  
Jesus took my sins and now I  
IÃ¢â€m living by his plan  
You are a don; yes you are a radical one  
If Jesus saved your soul and then he made you fully  
whole  
You are a don; yes you are a serious one,  
youÃ¢â€re walking by faith with as much love as  
you can  
You are a don; yes you are a radical one, wake up in  
the morning with just your bible inna your hand  
You are a don, don yes you are a serious one if Jesus  
took your sins and you are living by his plan.

Don, yes I am a radical one

Wake up in the morning with just me bible inna me

hand

I am a don; yes I am serious one, walking by faith with  
as much as love as I can

I am a don, don, don yes I am a radical Jesus saved me  
and then he took me by the hand

I am a don, don yes I am a radical one, Jesus took my  
sins now I'm living by his plan.
