No one turn you away, I don't want to impress
You won't this shits
You'll now what it is
I want you to taste, just give me the plane to love you
free
I ready to live

Let me have you
Let me have you baby
It's already seven past two
Don't you know you drive me crazy(drive me crazy)
Don't you know you drive me crazy
You looking for somebody
Let me be that body
Put up on girl
When you Calling out, calling out my name
When you Calling out, calling out my name
I want you today in everyway, I won't escape
You know that you're mine
I know that is late but girl don't hesitate
Cause I'm not ...
Let ne have you
Let me have you baby , baby
It's already seven past two
Don't you know you drive me crazy(drive me crazy)
Don't you know you drive me crazy
You looking for somebody
Let me be that body
Put up on girl
When you Calling out, calling out my name
When you Calling out, calling out my name
Let ne have you
Let me have you baby
It's already seven past two
Don't you know you drive me crazy(drive me crazy)
Don't you know you drive me crazy
You looking for somebody
Let me be that body
Put up on girl
When you Calling out, calling out my name
When you Calling out, calling out my name

Call out my name
Call out my name
