Airport terminals security duty free
This is my regular choice this is my routine
Seat back, alright, buckle up have a safe flight
These are my convosations this is how I've been living
And the heat of california doesn't compare
To the feeling that comes over me with the scent of
your hair
And the history in nyc don't have history like us
And the distance makes my heart go fond
I can't wait to feel your touch

Everytime I go I count the days till I can hold your hand
Cause I can't wait another minute I can't wait another
minute
And anytime I fly I count the seconds down till I land
Cause I can't wait another minute I can't wait until I'm
back on solid
Ground
I can't wait, I can't wait (no)
I can't wait, I can't wait (no)
I can't wait, I can't wait till I'm back on solid ground

Clouds and mountains forests and oceans
These are the sights I see yeah this is our routine
Single serving salt and pepper sugar cream oh no (no)
I'm ready for my dinner in a movie
And the novalty of london does get old (does get old)
And definatly don't compare to the way that you hold
(way that you hold)
The beauty of a foreign land just reminds me of you
And a phone call won't do, baby if only you knew

Everytime I go I count the days till I can hold your hand
(I can hold hand)
Cause I can't wait another minute no I can't wait
another minute
And anytime I fly I count the seconds down until I land
Cause I can't wait another minute I can't wait till I'm
back on solid
Ground

And the sky is so farmiliar to my eyes

And I've seen it all from sunset to sunrise yeah
And the moment that I land I cannot wait to get outside
To call you up and let you know that I have arrived

Everytime I go I count the days till I can hold your hand
(till I can hold
Your hand)

Cause I can't wait another minute (I can't wait)
No I can't wait another minute (I can't wait no no)
And anytime I fly I count the seconds down until I land
(until I land)

Cause I can't wait another minute (I can't wait)
I can't wait till I'm back on solid ground (I can't wait
another minute)

I can't wait, I can't wait (I can't wait baby)

I can't wait, I can't wait (I can't wait)

I can't wait, I can't wait till I'm back on solid ground
