"Beauty"

Never been the kind that the world defined as being
some trendy, top, super model
Never been the one you could call a swan even though
my mama said that they oughtta
So say a prayer for the girl with the hand me downs
and the pig tails in her
One for me, one for you cause we never knew that God
don't even care

If you've got the walk and ain't got the talk
And ain't got the stuff that they dream dream of
Cause there'll be a beautiful day

Cause I...I, I'm gonna be a beauty!
I'm gonna see God y'all, and I'm gonna be a beauty!
Tell me you believe it

I'm a long way from home but I'm passing through
Seem like everything is so artificial
Cause everything that we see in the magazines or even
on TV is so superficial
It's like a virus, I can't describe it, how shallow we can
be
We say true beauty comes from the inside but all that
we can see

She's got the walk - he's got the talk
And they've got the stuff the world dreams of
But there will be a beautiful day

Cause I...I, I'm gonna be a beauty!
I'm gonna see God y'all, and I'm gonna be a beauty!

Tell me you believe it

What you see ain't what you get
Cause you ain't seen nothin' yet
What they see ain't who you are
Cause you're gonna be a shining star..

Cause I...I, I'm gonna be a beauty!
I'm gonna see God y'all, and I'm gonna be a beauty!

Tell me you believe it
