'Cause him instruct me to take de word and put in me heart
No find me a betta way fa me fi have a new start
Fa de word dem a truth and demma sit around fi ages
Dem na have na life unless we take 'em off eh pages
Tell me Lawda - shall I be effective?
Only tru de word by your spirit be directed
So let de world dema think what the want to
Me only here to please e one me hafi answer to

Dema think I crazy
Because maybe
I take thy word
And I apply it literally

Dema say dat a dis one a gwan of eh' deep end
Because me na wanna follow de world and be different
But I tell ya - when it's all said and done
What can they say about me - but that I followed de
word - and took it literally
So if ya mark me fi crazy - I don't mind
'Cause me living up a lifestyle all of the time
So watch me if you want to - this on na gwan change!!
