No record deal, no dream fulfilled  
No three minute video, no  
No catchy jingle, no big hit single  
Playing on the radio

Can make me happy, no  
Can make me feel the way you do  
You make me happy, oh  
I wanna make You happy too

Can make me happy, happy  
Can make me happy, happy

No flashy cars, no movie stars  
No man, woman, boy or girl  
No fancy things, no diamond rings  
Nothing in the whole wide world

Can make me happy, no  
Can make me feel the way You do  
You make me happy  
I wanna make You happy too

You make me happy  
You make me feel the way I do  
Make me happy  
I wish the whole world knew You too

Singing, la la la

No, I cannot count the ways  
You have made my life so blessed  
All I know is that You came  
And made beauty of my mess

Said, I cannot count the ways  
You have made my life so blessed  
All I know is that You came  
And made beauty of my mess

And You make me happy, oh  
You make me feel the way I do

You make me happy, oh  
I wanna make You happy too

You make me happy  
You make me feel the way I do  
You make me happy  
I wish the whole world knew you too

Singing, la la la

Said, You make me happy, oh  
You make me happy  
La, la, la  
Happy, oh
