I come into this place
Burning to receive Your peace
I come with my own chains
From wars I've fought for my own selfish gain

You're my God and my Father
I've accepted your Son
But my soul feels so empty now
What have I become

Lord come with Your fire
Burn my desires, refine me
Lord my will has deceived me
Please come and free me
Refine me, refine me, oh

My heart can't see
When I only look at me
And my soul can't hear
When I only think of my own fears

They are gone in a moment
You're forever the same
Why did I look away from You?
How can I speak Your name?

Lord come with Your fire
Burn my desires, refine me
Oh Lord my will has deceived me
Please come and free me, come rescue this child

'Cause I long to be reconciled to You, oh
I long to be reconciled to You, oh

All that I can do is lift my heart and soul to You
And pray, oh I will pray

Oh Lord come with Your fire
Burn my desires, refine me
Lord my will has deceived me
Please come and free me, yeah

Refine me, I need you
Oh Lord refine me, oh Lord refine me
