"The Greatest Artist"

When I look around me
All that I see is the work of the greatest artist
Creation sings - reminding me
That you are the greatest artist
So won't you

Take my life
Paint it right
On your canvas display the beauty of your light
'Cause I'm your tapestry
And your love covers me
You're the greatest artist there will ever be

'Twas your blood that was shed
Crimson red
In an effort to save us all
So until this painting is done
Draw me under the Son
Cause it's your sweet name that I'll call
So that you can

Take my life
Paint it right
On your canvas display the beauty of your light
'Cause I'm your tapestry
/]
And your love covers me
You're the greatest artist there will ever be

Everything there is was made by your hand
Won't you make my life what you want it to be
Cause only you can
