(Aaron Nordquist)

As the wind blows toward me

I begin to realize that leaving you was wrong

The good times we had I begin to see

I want to go back to when our love was strong

Chorus

I'm sensing a change in me

It leaves a beat you can almost see

I was wrong to leave you

Now I long to love you

Hear the patterns of change

I wake up in the morning you're the first thing on my
mind

Until I fall asleep at night, I long to have you by my side

I think I'm once again falling in love with you

Is there a chance that you're in love with me too?

I'm sensing a change in me

It leaves a beat you can almost see

I was wrong to leave you

Now I long to love you

Hear the patterns of change

The meaning of love was meant for us two

I want to be forever with you

I was wrong to leave you

Now I long to love you

Hear the patterns of change

I'm sensing a change in me

It leaves a beat you can almost see

I was wrong to leave you

Now I long to love you

Hear the patterns of change
