Hatred breeds Disorder  
Strangled by Angels we fell  
Every Step  
Brings us closer  
To Dystopia

Tear down  
And sunder your Idols tall!  
Condemn your Gods  
Revoke your Faith  
Control Reprisal  
Indulge in Self-Deceit  
The Scarlet licking,  
Yearning purging flames  
Of Suffocating solitude

He withdrew  
The blind soul-self  
Into silent brooding,  
Prepared to pay  
The price  
And tread upon the searing song  
That heaven does incise

Condemned by Gods  
Forsaken by Faith  
One broken Man  
Purged by Self-Deceit

Force-Fed / Soul-Dead  
Each step towards me  
Each world 'neath me  
Force-Fed / Soul-Dead  
A giant step towards me  
A thousand worlds within me

Dawn breaks,  
Unfurls before you  
Like a fresh-bleeding Wound  
Slit open  
The skies,

Revolt against man's fate  
Spit  
Out  
The  
Stars!!!
