A whole lot more than a little bit and a little bit more
than a lot
Like I like it, like I like it, like I like it, like I like it

Your free love keeps me satisfied and I like it, yeah
Deep inside I can feel your vibes, like I like it, mmm-
hmm
You are to me like the fantasy-y that's been in my mind,
huh
And I could spend all my love on you till the end of ti-
ime

A whole lot more than a little bit and a little bit more
than a lot
Like I like it, mm-mm, like I like it
You've got what it takes, you're such a sweet thi-ing,
like I like it
Don't you know that I'm so glad that you gave me love
And you know it, oh baby, and all your charms keep me
in your life
When you show it, ooh-ooh-ooh

Because you are to me like the fantasy-y that's been in
my mi-i-i-ind
And I can spend all my love on you till the end of ti-ime

A whole lot more than a little bit and a little bit more
than a lot
Like I like it, oh like I like it, you've got what it takes,
mmm-hmm, like I like it
You give me all you've got, (like I like it, I like it ba-abe)
like I like it

A whole lot more than a little bit (You know I like it, I like
it, gir-irl)
And a little bit more than a lot, Like I like it, like I like it,
like I like it

Oh-oh, you know that deep inside I can feel your vibe,
and I like it yeah, baby
And I'm so glad that you give me lo-ove, don't you

know it, oh-oh baby

Because you are to me-ee like the fantasy that's been
in my mi-i-i-ind
And I could spend all my love on you till the end of ti-
ime

A whole lot more than a little bit and a little bit more
than a lot
Like I like it - you've got what it takes, what it, what it,
what it ...

I-I-I like you-ou

A whole lot more than a little bit and
