Baby you know I ain't lettin' you go
So whatever you say I'm gonna make you stay
Baby is it true, did you find someone new
I couldn't take it anymore if you'd walk out that door

Chorus:

Well I ain't got nothing to say to you
And I don't know what I should do
But our love keeps slippin' away
I'm a - losin' you
Well I ain't got nothing to give to you
And I taught you all that I knew
But our love keeps slippin' away
I'm a - losin' you
Baby it's hard I'm falling apart
Don't you leave me behind I'm a - losin' my mind

Chorus:

Well I ain't got nothing to say to you
And I don't know what I should do
But our love keeps slippin' away
I'm a - losin' you
Well I ain't got nothing to give to you
And I taught you all that I knew
But our love keeps slippin' away
I'm a - losin' you
Baby it's hard I'm falling apart
Don't you leave me behind I'm a - losin' my mind

I'd give all that I own, just to get you alone
Just a moment with you, if that could be true
But you push me away, you wanna call it a day
And that feeling inside, I could never hide

Chorus:

Well I ain't got nothing to say to you
And I don't know what I should do
But our love keeps slippin' away
I'm a - losin' you
Well I ain't got nothing to give to you
And I taught you all that I knew

But our love keeps slippin' away
I'm a - losin' you
Baby it's hard I'm falling apart
Don't you leave me behind I'm a - losin' my mind
