Behold! The star towers of the Electric Castle! See how it embraces the sky! How insignificant the mere mortal, drawf by the majesty of its electric edifice! But first, my seven searchers, you must meander through the verdant vines of the Garden of Emotions. Succumb to its allure.

Breathe deep the intoxicating aroma of endless, entwined emotions...

HIPPIE:

It's kinda groovy
In this world of fantasy
Where no one else can go
Within these boundaries
I'm shielded from reality
Without a care or woe

EGYPTIAN WOMAN:

Amon-Ra, have you come to seal my fate?
In the Garden of Emotions
Free my Ka, how much longer must I wait?
In the Garden of Emotions

HIPPIE:

I roam the universe
In cosmic meditation
To find my inner me
I'm getting high on love
Spiritual vibrations
To set bad karma free

EGYPTIAN WOMAN:

Amon-Ra, have you come to seal my fate?
In the Garden of Emotions
Free my Ka, how much longer must I wait?
In the Garden of Emotions

ROMAN WARRIOR: Take up arms and follow me!
BARBARIAN: Hey, who are you to take the lead?
ROMAN WARRIOR: I will keep you all from harm!

BARBARIAN: So what kind of god do you think you are?
ROMAN WARRIOR: A warrior is what I am!
BARBARIAN: No, I'm the wolf and you are but a lamb!
ROMAN WARRIOR: If you doubt my force, you'll live no more!
BARBARIAN: You will end your war upon my sword!

NATIVE AMERICAN GIRL:
And voices in the sky
Shall cause the soul to die!
And voices in the sky
Shall cause the soul to die!

ROMAN WARRIOR: We'll break away by my command!
BARBARIAN: No, we'll crush our foe and quell this land!
ROMAN WARRIOR: You cannot kill what's already dead!
BARBARIAN: Whoever rivals me will lose his head!
ROMAN WARRIOR: You'll endanger all our precious lives!
BARBARIAN: Well, I don't care, I will survive!
ROMAN WARRIOR: I'm the only one who can set us free!
BARBARIAN: Go chase your ghost and leave me be!

NATIVE AMERICAN GIRL:
And voices in the sky
Shall cause the soul to die!
And voices in the sky
Shall cause the soul to die!

NATIVE AMERICAN GIRL: Fury and fear!
KNIGHT: (Chivalrous and bold!)
FUTUREMAN: It must be feeding on our negative emotions!
KNIGHT: (Pitiless and cold!)
NATIVE AMERICAN GIRL: Destiny's near!
KNIGHT: (Valiant and true!)
FUTUREMAN: We're at the mercy of some vile computer scheme!
KNIGHT: (Treacherous and cruel!)
NATIVE AMERICAN GIRL: Spirits appear!
KNIGHT: (Chivalrous and bold!)
FUTUREMAN: We'll have to try to hide our antagonistic notions!
KNIGHT: (Chivalrous and bold, pitiless and cold!)
NATIVE AMERICAN GIRL: Legend is here!
Knight: (Pitiless and cold, valiant and true!)
FUTUREMAN: If we ever want to end this future dream!
KNIGHT: (Valiant and true, treacherous and cruel!)

NATIVE AMERICAN GIRL: Fury and fear!
KNIGHT: (Chivalrous and bold!)

FUTUREMAN: We have to free our minds from anger
and aggression!

KNIGHT: (Pitiless and cold!)

NATIVE AMERICAN GIRL: Destiny's near!

KNIGHT: (Valiant and true!)

FUTUREMAN: It's the only way to defy this cold
machine!

KNIGHT: (Treacherous and cruel!)

NATIVE AMERICAN GIRL: Spirits appear!

KNIGHT: (Chivalrous and bold!)

FUTUREMAN: If we're to stand up to this emotional
oppression,

KNIGHT: (Chivalrous and bold, pitiless and cold!)

NATIVE AMERICAN GIRL: Legend is here!

KNIGHT: (Pitiless and cold, valiant and true!)

FUTUREMAN: We had better stand together as a team!

KNIGHT: (Valiant and true, treacherous and cruel!)

EGYPTIAN WOMAN:

Amon-Ra, have you come to seal my fate?
