[Jonas Renkse:]

Life, imagination  
Missing link in the chain  
We'll fuel your minds  
Color your thoughts  
Come to you waking dreams

Fire, inspiration  
Missing branch on the tree  
We're all rude  
We're all black  
Come to you in waking dreams

[Anneke:]

Sail the stream as I dance upon the waves of a waking  
dream  
As it passes you by.  
Ride the beam as I rise upon the wings of a waking  
dream  
As it fades in the sky.

[Jonas:]

Mind transformation  
You were chosen  
Live the the dream that we have been dreaming  
Now is a time to come together and make it come true  
Oh me and you

[Anneke:]

Sail the stream as I dance upon the waves of a waking  
dream as it passes you by.  
(Dancing on the waves)  
Ride the beam as I rise upon the wings of a waking  
dream as it fades in the sky.

[solo keyboard: Tomas Bodin]

[solo guitar: Arjen]

[Anneke:]

Sail the stream as I dance upon the waves of a waking  
dream as it passes you by.

(Dancing on the waves)  
Ride the beam as I rise upon the wings of a waking  
dream as it fades in the sky.
