Don't think you know
How far I'm about to go
Come on baby just let me know
Cos this bomb is about to blow

Are you feeling me yeah?
(Are you feeling me yeah?)
Are you feeling me yeah?
(Are you feeling me yeah?)
Are you feeling me yeah?
Yeah, yeah, yeah, yeah

All the satisfaction,
Tied into your own reaction
Simple case of our attraction
And I'm blinded
By primal distraction
Leaves me out of my head

Yeah

I know that you like it
Breathing heavy
When you get excited
You try so hard to hide it
So baby give it up
And don't try to fight it

Are you feeling me yeah?
(Are you feeling me yeah?)
Now, are you feeling me yeah?
(Are you feeling me yeah?)
Now, are you feeling me yeah?
Yeah, yeah, yeah, yeah, yeah

All the satisfaction,
Tied into your own reaction
Simple case of our attraction
And I'm blinded
By primal distraction
Leaves me out of my head

Leaves me out of my head

(Are you feeling me yeah?)

All the satisfaction,
Tied into your own reaction
Simple case of our attraction
And I'm blinded
By primal distraction
Leaves me out of my head

(All the satisfaction)
(Tied into your own reaction)
Leaves me out of my head
(Simple case of our attraction)
Leaves me out of my head
(And I'm blinded
by primal distraction)

Leaves me out of my head
