Daydreamin head's in the sand,
Daydreamin gee but it's grand.
I'm in love with an ostrich,
All the neighbors complaining you see,
But she loves me,
Can't help it if they don't understand it.
It's fun to be in love with an ostrich,
And if you haven't tried it
Don't deny it my friend.
'Cause it's so much fun
To go out in the sun
Forget the rest of the world,
With your head in the sand.
Daydreamin head's in the sand,
Daydreamin gee but it's grand.
Walking down the street with my ostrich,
All the people stare
But I don't care what they say.

Forget the rest of the world,
And put your head in the sand.
