jolene, jolene, jolene, jolene  
i'm begging of you please don't take my man  
jolene, jolene, jolene, jolene  
please don't take him just because you can

well your beauty is beyond compare  
with flaming locks of auburn hair  
with ivory skin and eyes of emerald green

your smile is like a breath of spring  
your voice is soft like summer rain  
and i cannot compete with you, jolene

well he talks about you in his sleep  
and there's nothing i can do to keep from crying  
when he calls your name, jolene

and i can easily understand  
how you can easily take my man  
but you don't know what he means to me, jolene

well now you could have your choice of men  
but i could never love again  
he's the only one for me, jolene

well i had to have this talk with you  
my happiness depends on you  
and whatever you decide to do, jolene

jolene, jolene, jolene, jolene  
i'm begging of you please don't take my man  
jolene, jolene, jolene, jolene  
please don't take him just because you can

jolene, jolene, jolene, jolene  
i'm begging of you please don't take my man  
jolene, jolene, jolene, jolene  
please don't take him just because you can

please don't take him just because you can  
you can, you can
