### "Always The Way"

Your smile was so disarming  
You'd better mind your own affair  
Picking up the pieces  
Of a life that shone in tatters  
You're gonna come back if you dare

Ain't it always the way  
You get just one chance  
Ain't it always the way  
Ain;t it always the way

Better learn to mind your business  
(watch out for your own)  
Sail your boat on placid bays  
You'd better learn to keep the big  
Train on the straight and narrow  
Let the first mate cast away

Then along comes the say  
Then along comes the day

Be a winner  
A dead ringer for the truth  
Will the circle be unbroke  
Be a master of your destiny  
This is not a joke
