### "Chains"

your arms are warm but they make me feel  
as if they're made of cold, cold steel  
a simple kiss like a turnin' key  
a little click and the lock's on me  
can't move my arms, can't lift my hands  
I won't admit to where I am  
but I know baby, I'm in chains, I'm in chains

I pretend I can always leave  
free to go whenever I please  
but then the sound of my desperate calls  
echo off these dungeon walls  
I've crossed the line from A to Z  
a thousand times and back again  
I love you baby,  
I'm in chains, I'm in chains,  
I'm in chains, I'm in chains,

should have known passin' through the gate  
that once inside I could not escape  
I never thought this could happen to me  
never thought this is where I'd be  
so baby, baby, baby, look at me  
I said baby, baby, look at me, I'm in chains

(baby,baby,I'm in chains)  
(baby,baby, I'm in chains)

I never thought this is where I'd be  
never thought this would happen to me

(baby,baby,I'm in chains)  
(baby,baby,I'm in chains) [go to fade]
