Suffering from bitterness  
Not feeling so right  
Uncontrolled-mismanaged hate  
No one is right  
Differences unforeseen  
Bound to lead  
At failed attempts to do something constructively

Diffuse it  
Destroy it  
Abuse it and enjoy it

This horrible dream  
A horrible nightmare

A wonderful dream  
A wonderful nightmare

This toxic mind provoking all hostility  
Frail on the outer side, anxiety  
Afraid of what I'm capable of damaging  
Manifestation of a mental disease

Diffuse it  
Destroy it  
Abuse it and enjoy it

This horrible dream  
A horrible nightmare

A wonderful dream  
A wonderful nightmare

I cannot control this

Why can't I do something?  
Why can't I do anything?  
Why can't I do something  
To stop the hostility
