Girl you're buggin me

Sure enough you're always busy pushin me

Well you don't want to treat me like that

Waited patiently

Yet still your playin every game deceptively

This time girl the ice gonna crack

You take my trust and throw it away

Take the money I should've been paid

Makin fools of the both of us

Things getting dangerous

I don't wanna give no more

Chorus

i said u gotta,

Rip back, on your act, watch your back, I wanted u right.

Don't blame me gotta, take that, gonna
attack, where you at, it's happenin tonight

I wanna be sure you're in the friend or safe,
not always gonna leave

Cos I ain't gonna want somebody elses dirty
girl on me, yeah

I wont ask you twice.

How come all your friends deny your allibies

They ain't say where you been

Don't apologize

You roll the dice and lost it girl, take my advice

Get out before I find you again

You take my trust and throw it away

Take the money I should've been paid

Makin fools of the both of us

Things getting dangerous

I don't wanna give no more

Chorus

i said u gotta,

Rip back, on your act, watch your back, I wanted u right.

Don't blame me gotta, take that, gonna
attack, where you at, it's happenin tonight

I wanna be sure you're in the friend or safe
not always gonna leave

Cos I ain't gonna want somebody else's dirty
girl on me, yeah

Damn right I'm serious

You double crossed me and I've had enough
of your lies, in my eyes

You ain't worth the dent in your bed, baby

Don't wanna make you fuss

Get yourself back baby don't discuss

cos you know your, to blame for being this close to the
edge

Chorus 3X

i said u gotta,

Rip back, on your act, watch your back, I wanted u right.

Don't blame me gotta, take that, gonna
attack, where you at, it's happenin tonight

I wanna be sure you're in the friend or safe
not always gonna leave

Cos I ain't gonna want somebody elses dirty
girl on me, yeah
