If I could paint  
I'd paint a portrait of you  
The sunlight in your eyes a masterpiece of truth  
And a single tear like a silent prayer  
That's shining so much brighter than a diamond ever  
dared  
If I could do anything at all, I'd do it for you

If I could write  
I'd write a book for you  
A tale of hidden treasures with an I.O.U  
And a million words wouldn't say a thing  
That won't be said in three words  
Where love's the central theme  
If I could do anything at all, I'd do it for you

Chorus  
Darling can't you see  
What you mean to me  
Anything that I can do I'll do it for you  
And darling don't you know  
Just how far I'd go  
Anything that I can do, I'd do it for you

Sometimes I feel so second-rate  
Seems loving you was my greatest mistake  
I know I'm insecure  
And love don't keep score  
But I wish I could give you more

If I could play  
I'd play up a storm for you  
A raging sea of passion that you never knew  
Every whispered sound would touch your heart  
And maybe for a moment I could be your favourite star  
If I could do anything at all  
If I could, I'd give you more  
If I could do anything at all...I'd do it for you

Chorus

And darling can't you see

You mean the world to me  
Anything that I can do I'll do it for you  
And darling don't you know  
Just how far I'd go  
Anything that I can do I'll do it, I'll do it for you  
I'll do it, do it for you
