When you can't find your way through the night  
When you've lost touch and nothings feeling right  
You can't find that path that leads you on  
And you don't know which road to choose  
that's when you've got to....

Chorus

Listen with your heart  
Listen to your soul  
Inside you'll find the answer  
The place you need to go

Listen with your heart  
Your heart will let you know  
No matter where you are  
Just listen and your heart will lead you home

And when this world has got your mind confused  
And when your faith has gone and run out on you  
You can't find that faith in your soul  
the strength u need is deep, it's deep in you, that's why  
you've got to...

That's when you've got to...

Chorus

Listen with your heart  
Listen to your soul  
Inside you'll find the answer  
The place you need to go

Listen with your heart  
Your heart will let you know  
No matter where you are  
The truth is never far  
Just listen and your heart will lead you home

We all lose our way some times  
we all lose our faith sometimes  
If you just believe and just be strong your heart will  
take you home

Listen with your heart  
Listen to your soul  
Inside you'll find the answer  
The place you need to go

Listen with your heart  
Your heart will let you know  
No matter where you are  
The truth is never far - just listen and your heart will  
lead you home

The truth is never far - just listen and your heart will  
lead you home
