I've been holding on
To a love gone wrong its true
For too long
The hurt it left inside
Has made me wanna hide too much
And I do

I'm not afraid to be alone
The truth is I'm alright
But something has been missing from my life

Chorus
And maybe tonight
Maybe I'll fall
Maybe he'll crash through my walls
Maybe at last love will come back
And take me deep into its arms
Maybe the heart that comes apart finally mends
Maybe tonight ill finally fall in love again

I've cried a lot of tears
Faced a lot of fears
To get right here
Every chapter ends
Before the right one can begin again
In this story of love

Chorus

I'm ready for another chance
And right now its in doubt
I know I will survive what ever comes

Maybe tonight
Maybe ill fall
Maybe he'll crash through my walls
Maybe at last love will come back
And take me deep into its arms
Maybe the heart that comes apart finally mends
Maybe this time im gonna find love that never ends
Maybe tonight ill finally fall in love again x4
