Don't Leave Me In All This Pain
Don't Leave Me Out In The Rain
Bring Back Those Night, When I Held You Beside Me

Unbreak My Heart
Say You'll Love Me Again
Undo This Hurt, You Caused
When You Walked Out The Door
And Walked Out Of My Life

Unbreak My Heart
Say You'll Love Me Again
Undo This Hurt, You Caused
When You Walked Out The Door
And Walked Out Of My Life

Uncry These Tears (Oh)
I've Cried So Many, Many Nights

Oh, Unbreak My
Unbreak My Heart (Oh Baby)
Without You I Just Can't Go On
