I've Been Waiting in the Dark

All Alone with just the beating of my heart

But I feel right when i'm out there in the light

Cause i know i'm gonna make it

Yes i do

Because of you

I can Fly Without Wings

I can Do Anything

Tonights the night i'm gonna Fight my Destiny

I can Sore though the sky

And your the reason Why

I can be everything i want to be

cause you believe in me

There is a time in every life

when you realise your dream is on the line

gonna make you proud and i'm never gonna let you
down

cause when i look into your eyes

i feel my spirit rise

I can Fly Without Wings

I can Do Anything

Tonights the night i'm gonna Fight my Destiny

I can Sore though the sky

And your the reason Why

I can be everything i wanna be

cause you believe in me

You believe when i am lost

And every step along the way

And when my world is falling down

you love lifts me high

I can Fly Without Wings

I can Do Anything

Tonights the night i'm gonna Fight my Destiny

I can Sore though the sky

And your the reason Why

I can be everything i want to be

cause you believe in me
