"As I Am"

It's killing time again
Are we having fun?
Sleeping off the world
Is getting hard

Rats in the hall come for feeding
Chasing after
Hearts not beating
Complication Complication
Wake me up

Won't stop
Until I've had enough
Take me as I am

Black cars in a line
Do they know my name?
Everyone is tired
Everyone is blamed

Sympathy won't stop this bleeding
Single file up arms so needing
Complication Complication
Wake me up

Won't stop
Until I've had enough
Take me as I am

Wake me up

Won't stop
Until I've had enough
Take me as I am
