Gotta get away from sunshine
Whoa-oh-oh-oh-oh-ow

I've been here some many time before
Making excuses for what I didn't belong there
We both will cry out loud tonight
Today is the birthday of our annual fight

You keep repeating
You're not the one to blame
And to mention your aggression

Sunshine
You keep blaming me forever
Hey sunshine
We're not burning down together
For me there ain't gonna be forever
I saw a sign and I hate bad weather
Sunshine
Put it all on me
(Put it all on me)

I'm not trying to convince myself to say
I'm sorry believe me I feel fine by myself
I hate to say these words
But I want you to know
You're the only thing I'm thinkin, I can't just let it go

I keep repeating
You're the one to blame
And to mention
My depression

Sunshine
You keep blaming me forever
Hey sunshine
We're not burning down together
For me there ain't gonna be forever
I saw a sign and I hate bad weather
Sunshine
Put it all on me

Sunshine
You keep blaming me forever
Hey sunshine
We're not burning down together
For me there ain't gonna be forever
I saw a sign and I hate bad weather
Sunshine
Put it all on me
