Ooh, ooh...

As long as time allows  
You'll be my treasure queen  
What you mean to me  
Got a whole lotta  
Boom, boom, boom

Girl, there's something  
About your smile  
Don't you wait too long, ooh  
Pretty lady, let me  
Put you where you belong

My pearl  
My precious little girl  
My pearl  
My precious little girl

Enchanted lovers  
That what we'll be  
And see that we'll  
Always be this way

Girl, there's something  
About your smile  
To wait too long, ooh  
Pretty lady, let me  
Put you where you belong

My pearl  
My precious little girl  
My pearl, yeah  
My precious little girl

My pearl  
My precious little girl  
My pearl, ooh hoo  
My precious little girl

My precious little girl  
My precious little girl

My precious little girl  
Can't you see you're  
My precious little girl

My pearl  
My precious little girl  
My pearl, ooh, you're  
My precious little girl

My pearl  
My precious little girl  
My pearl, you're my  
My precious little girl

My pearl  
My precious little girl  
My pearl, ooh, you're  
My precious little girl

Hey, hey, hey  
My precious little girl  
My pearl, yeah  
My precious little girl...
