(I'm Back)

Yeah, this is it right here, this defines me

(I'm Back)

Turn my mic up, let's do it, let's do it

(I'm Back)

Spirit of Marcus Garvey, Farad Muhammad

Medgar Evars and Bob Marley, I'm God-Body

(I'm Back)

The scripture says Allah's inside me, show love

I was hugged by the arms of Gandhi, gave me my strength

(I'm Back)

You could tell somebody raised me with sense

We all need somethin' to help us through our daily events

Bear with me, the toughest tear quickly

(I'm Back)

No lie pops still cry and he near fifty, freedom or death

I give a reason to sweat, there's no test

(I'm Back)

Verbally it's like I'm seen as the best, who wanna try me?

(Yeah yeah-e-yeah)

(I'm Back)

Sent to express grace

Separate the weaker is the less way, how y'all feel

(I'm Back)

Y'all cowards now with real

I return like McGrady got caught with a pill, let's get it poppin'

(I'm Back)

I move like a coppin'

I know the stress from the streets when I was diddy-boppin'

Playin' the corners face to face with the faces of mourners

(I'm Back)

It's hard to trace the informers until it's too late, Jake

Russel my boy

The focus is back, I play a part in this culture of rap

(I'm Back)

Bought some whips so I relate on how these vultures
attack

Flippin' and runnin', double-park, rippin' up summons

(I'm Back)

How many hittin' twin sisters and flippin' they cousins?

Call it finesse, the game give it all I possess

(I'm Back)

Nothin' changed, I'ma ball to the death yeah

Yeah, yeah-e-yeah

(Yeah, that's right show these cats how we do this here)

(I'm Back)

I'm like a, rose in the desert but how can one grow
without rain?

How can one experience happiness without pain?

(I'm Back)

And how could I fall to the violence of hell and still
remain sane?

And how could I still remain on top of my game?

(I'm Back)

When both the black and white devils seek the power to
rebel

Seek to defy my radiance, I shift gears to another level

I'm focused, but it's like I'm playin' a cold hand of
spades

(I'm Back)

I got a lot of hearts, but these fools tryin' to cut me

And I'm tired of these jokers

(I'm Back)

Vengeance is mine, I plague the whole planet with
locusts

I survived the mayhem, my advantage I've been the
brokest

(I'm Back)

I wasn't drugged and inhaled by all the smokers

Then I became the love absorbed by all the cultures

I can't trust women because my heart was scorned

(I'm Back)

It's hard to trust yo' comrades, when yo' heart was torn

One nine seven oh the God was born

(Yeah, yeah-e-yeah)

I'm Back

I'm Back
I'm Back
I'm Back
I'm Back
I'm Back
I'm Back
(Yeah, yeah-e-yeah)
I'm Back
I'm Back
