INTRO:

Ladies and Gentlemen, My name is Rich Nice,
And on behalf of Trackmasters entertainment,
I would like you to welcome you to the kid capri
soundtrack of the streets album,
We have so many entertainers I would like to welcome
to the stage right now,
Allure, Case, Common sense, and the firms very own

AZ:

A nigga's seen it, triple beam shit, ? remix venus,
made for machines that kill, blow ya speakers out, only
the real i speak about, made to freak you out, fuck
what ya mind teach ya about, nigga spots rollin, shoot
out, gun shots blowin, all the nigga's got shorty's on
the block holdin' lord, my youngest cousin sittin up
north, taking a short from another nigga hittin them off
