(verse 1)

And G Mode the Genius Giants fan no jewelry
drove it all maturely close the morgues of Missouri
pop off in the drop Porsche no social security
at the walled off with a sawed-off I floss deliberately
loved lyrically neh nigga could mirror me vividly
regardless who he appeared to be pure sanity puffin
bumpin Amerie self portraits painted over the Canopy
nothin was handed me(handed to me) can it be its like
Vanity
pushin them Europeans Kush on the Caribbean
ran with the Demons loafer understandable reasons
Silent lambs its Hannibal Season still breathin
Brooklyn be my garden of Eden chasin paper please
pardon my speedin venison is not needed pin house
the posh repeat it
been about it niggas gotta believe it so leave from the
ghetto to the manicure fresh green meadows where
you can spot em in the red bottom
stilettos hello

Hook(June Summers)

Nothin move but the money puffin Cigars I'll buy a pool
where its Sunny talk about Americas Next Top
both got bodies with bottoms and no tops
Bottles with gold pop
Nothin Move but the money watch my moves
to smooth to hear comin respect my moves
(Don't)Disrespect my groove Homie I'm that Dude

(verse 2)

As long as the Universal Life and Laws is Obeyed
the Sea Breeze and the Palm trees come with the
shade
Tipsy off the Dom P since under the Age So originally
it was on me I Numbered the days "Doe or Die" was in
my Heart had to Humble my ways you know either
you play your part or you run with the Strays
some'll say seek and you shall find my first peek at
A Porsche nearly lost my mind Ski resorts still in
thought
never off my Grind Till the Casket get dropped

put my Ashes in a Box slash shot if it pop its

Beam

I Embrace for me to do my thing

Hook(June Summers)

(verse 3)

I love the feelin of the fresh pair Cologne in the air
made it here to the next year Coronas and Beer
where I appear no respects there Grown ups is here
I where the hats that the Mets where I'm known for the
Gear
Never Fear this is Hip-Hop Hustle or Die
on the Beach chill with flip-flops trunks and Dubai
