In a language learned, when no one was listening,
I try my best to tell you how I feel.
Somehow I am sure and this I believe in,
This is real!

From my heart I sing, to you and I'm hoping,
That you'll understand what I'm trying to say.
Found a place inside of me and I'm grateful
For each day!

A broken wing cannot stop me from flying,
I leave no footprints when you're around.
I know yourself you said, you made me so
proud of
What I found!

[(Chorus)]

Oh my god, I'm losing it,
I'm finally going out of it,
My senses tingle, I can hardly breathe.

Oh my god, I'm losing it,
I'm finally going out of it,
I feel my heart, I'm suddenly alive!

Thank you.
Thank you for the world ([the world, the world]).
Thank you for the life you're making me see,
Inside of me.

[(Verse)]

The book is open now and the pen keeps on writing,
Story of my life, it starts right here.
Now I reach the stars, can grab them and hold them,
With no fear!

I am captivated, completely spellbound,
I have found my match.
And the blackbird has flown away,

The blackbird has left me
For goodâ€¦

[(Chorus)]

Oh my god, I'm losing it,
I'm finally going out of it,
My senses tingle, I can hardly breathe.

Oh my god, I'm losing it,
I'm finally going out of it,
I feel my heart, I'm suddenly alive!

Thank you.
Thank you for the world ([the world, the world]).
Thank you for the life you're making me see,
Inside of me.

[(Bridge)]

[(Chorus)]

Thank you.
Thank you for the world ([the world, the world]).
Thank you for the life you're making me see,
Inside of me.

Thank you.
Thank you for the world ([the world, the world]).
Thank you for the life you're making me see,
Inside of me.
