They're passing out favors we should go back for more.

They're running down fakers shipping them back to shore.

Rounding up failures pushing them back and forth.

Chasing this monster has gotten us all off course.

Take me now, take take me now.

Breathe it out, breathe breathe it out.

Hold me down, hold hold me down.

Take me now, take take me now.

Row Row Row Row we're sitting in a one-man lifeboat and we float away.

Ohh no lets go we're dying in a one-man lifeboat and we float away.

We're pressing that notion we can be fine again.

Loosing emotions got us half way and then.

Take me now, take take me now.

Breathe it out, breathe breathe it out.

Hold me down, hold hold me down.

Take me now, take take me now.

Row Row Row Row we're sitting in a one-man lifeboat and we float away.

Ohh no lets go we're dying in a one-man lifeboat and we float away.

Row Row Row Row we're sitting in a one-man lifeboat and we float away.

Ohh no lets go we're dying in a one-man lifeboat and we float away.

Oh no lets go

No lets go

No lets go

No lets go

No lets go

No lets go

No lets go

No lets go
