Tasteless
Naked and faithless
Careless
Useless against this
Here we go again

I grow again
Weakness
Stealing my patience
And it's faceless
Nameless against this

Here we go again
I know again
Hey, I think you made
A big mistake
I'm no quitter

Relentless
Everything expensive and it's
Hopeless
Nameless against this

Here we go again
I know again
Hey, I think you made
A big mistake
I'm no quitter

Hey, I think you made
A big mistake
I'm no quitter

Hey, I think you made
A big mistake
I'm no quitter

I'm no quitter
I'm no quitter
