So much to say
When words seem to say no more
And i'm trying too hard
Words never mattered much
Anyway
So then..give me silence!
So much to say
When words seem to say no more
And i'm trying too hard
Words never mattered much
Anyway
So much to feel
When my skin pleads your sky for rain
But i'm feeling too much
And feelings never pay off
Along the way
So i'll say no more
I'll say no more
For all i really need is to know that this is real
Don't you know this is real
Isn't it?
