This is brainwash
20 years straight
This is brainwash
Of the human race
This is brainwash
Annihilation
This is brainwash
Manipulation
This is brainwash
20 years straight
This is brainwash
Of the human race
This is brainwash
In the worst fucking way
This is brainwash
Take your rights away
Brainwashed through the tv
You're another casualty
Brainwashed through media lies
A nation all hypnotized
This is brainwash
20 years straight
This is brainwash
Of the human race
This is brainwash
Big brother got to you
This is brainwash
What ya gonna do
