Johnny, Johnny! Open up
Johnny, it's Frank! Open up
Look you've been in there for three weeks
Now come on, open up
Johnny, Johnny!
Out of my way, I'm watching television
Are you crazy? That's the test pattern
I like it!

Well, there are two things to be done
First of all, we put him in the hospital
And withdraw all television, I see
And then, we give him this... Radio

Radio, radio, radio, radio, radio, radio ...

Sending those signals, sending those signals, sending
those signals, those digital signals
Sending those signals, sending those signals, sending
those signals, those digital signals
Sending those signals, sending those signals, sending
those signals, those digital signals
Sending those signals, sending those signals, sending
those signals, those digital signals

Two times you do, understand,
Is it as good, understand
Two times you do, understand,
Is it as good, understand

Two times you do, understand,
Is it as good, understand
Two times you do, understand,
Is it as good, understand ...

Sending those signals, sending those signals, sending
those signals, those digital signals
Sending those signals, sending those signals, sending
those signals, those digital signals
Sending those signals, sending those signals, sending
those signals, those digital signals
Sending those signals, sending those signals, sending

those signals, those digital signals

Oh, can't you hear it?

Can't you hear it?
