Why

Tell me do you wonder why  
Some could look so hard  
And miss the truth, yeah  
Some would stumble over it  
A hundred times  
And never, ever see  
The living proof  
But there's a kinda love  
This world could never deny  
Let everybody see it  
In our lives

(Chorus)

The world will wonder why  
If you and I will  
Shine His light  
Will hearts discover life  
When we decide to  
Let ours go  
We've got to give it up  
And live the Love that  
Opened our eyes  
Live your life  
The world will wonder why

\*Woman\*

Why

Someone try and  
Tell me why  
We would want it  
Any other way, yeah  
Our hearts could change  
Before our very eyes  
Well, I've seen the difference  
That love can make

Well there's a kind of love  
The world can never explain  
It's time to live  
The gospel of ashame (of ashame)

(Chorus)

\*Man\*

If we would live it  
With a passion  
What would be  
The reaction

\*Woman\*

If we would love Him  
With a strong love

\*Man\*

Then Chri-ist would see

\*Woman\*

Yeah yeah  
In the world  
I believe

The world will wonder why (repeat)

(Chorus repeats to end)
