I'm lying alone with my head on the phone  
Thinking of you till it hurts  
I know you hurt too but what else can we do  
Tormented and torn apart

I wish I could carry your smile in my heart  
For times when my life seems so low  
It would make me believe what tomorrow can bring  
When today doesn't really know, doesn't really know

I'm all out of love, I'm so lost without you  
I know you were right, believing for so long  
I'm all out of love, what am I without you  
I can't be too late to say that I was so wrong

I want you to come back and carry me home  
Away from these long, lonely nights  
I'm reaching for you, are you feeling it too?  
Does the feeling seem oh, so right?

And what would you say if I called on you now?  
And said that I can't hold on?  
There's no easy way, it gets harder each day  
Please love me or I'll be gone, I'll be gone

I'm all out of love, I'm so lost without you  
I know you were right, believing for so long  
I'm all out of love, what am I without you  
I can't be too late to say that I was so wrong

Ooh, what are you thinking of  
What are you thinking of  
What are you thinking of  
What are you thinking of

I'm all out of love, I'm so lost without you  
I know you were right, believing for so long  
I'm all out of love, what am I without you  
I can't be too late to say that I was so wrong

I'm all out of love, I'm so lost without you  
I know you were right, believing for so long  
I'm all out of love, what am I without you  
I can't be too late to say that I was so wrong

I'm all out of love, I'm so lost without you  
I know you were right, believing for so long  
I'm all out of love, what am I without you  
I can't be too late to say that I was so wrong, so wrong

keep doing watchyou, keep doing watchyou  
keep doing watch you doing baby  
cuse i know that love is going breing you back  
so keep doing watcha doing baby!
