Yeah  
Attention attention  
It's ya boy big Snoop dogg

Nephew  
Alla (alla alla)

Like a flame in the dark  
Girl you light up the room  
No matter what's going all around it  
I'm only into you  
You're lips never moved  
But I swear I heard you speak  
Girl you had me in his arm  
What the hell you do to me  
Oh

I never been in a position like this  
Come and make it quick down  
How you shaking them hips ohoh  
Let me stop mmmmh  
\*\*\*\*\* together cause the night she'll get

You get Attention  
I tried to get back  
No champagne tonight will do seems right

Attention  
From here to the bedroom  
All night long  
Girl I'm here to stone you

Now it's getting late  
Baby girl I'm on my way  
I know you're down for whatever  
So I wont procrastinate  
If you're ready to go  
Baby let me take control  
Cause everything about your  
Body is 'bout to make me explode

I never been in a position like this

Come and make it quick down  
How you shaking them hips ohoh  
Let me stop mmmh  
\*\*\*\*\* together cause the night she'll get

You get Attention  
I tried to get back  
No champagne tonight will do seems right

Attention  
From here to the bedroom  
All night long  
Belong for stoned you

Attention  
I tried to get back  
No champagne tonight will do seems right

From here to the bedroom  
All night long  
Belong for stoned you
